October 2024 News

Thank You!!!

First, as Deacons we want to say **"THANK YOU"**. It has been such an encouragement to witness the support and unity of our brothers and sisters in Christ. We need your continued prayers and support. This newsletter is another way that we want to keep you, our family informed and updated as we move forward.

Hiring Update:

The committee is working hard screening and interviewing candidates for both positions and we are pleased with how it's progressing. In the meantime you may have noticed that the job positions have been re-posted on Disciples Today. This is not due to the quality of the candidates that have applied thus far but an attempt to build a pipeline of qualified candidates until formal offers of employment have been made and accepted.

Benevolence Update

Thanks to the generosity of YOU and your giving, year to date we've been able to help support 25 benevolence requests, totaling \$41,698! Thank you again!

Director Of Facilities Hire

We are happy to announce that Chris Graham has been hired as The Charlotte Church's Director of Facilities. Chris has a wealth of architectural and construction background and is a great asset to oversee our building projects.
